

Believe Your Eyes

Essential information

ENTRANCE CONTRIBUTION:

\$6.20 for all

Taxes and fees included

Revenue generated from entrance contribution allow the Phi Centre to continually present avant-garde artistic and technological works. Thank you for your support.

AGE RESTRICTION:

Please note that this experience is restricted to 18 years and over.

Believe Your Eyes can not be experienced by persons who have not reached the age limit on the day of their visit, even if accompanied by an adult. Unfortunately, we can not make any exception.

WHERE:

Phi Centre

Entrance at 315, St-Paul Street, Montreal (Quebec) H2Y 2M3

OPENING HOURS:

From September 15 to 18:

Friday: 11:30 AM to 8 PM

Saturday and Sunday: 11 AM to 8:30 PM

Monday: 4 PM to 9 PM

September 19 to 30:

Monday: closed

Tuesday to Friday: 11 AM to 7:30 PM

Saturday and Sunday: 10 AM to 8 PM

WHAT TIME SHOULD I ARRIVE?

We kindly ask that you arrive at 315 St-Paul Street 10 minutes before the time indicated on your admission ticket. Your departure will be within 20 minutes of your arrival time and the experience will last 5 minutes. Entry times are strictly enforced and capacity is limited. We cannot guarantee entry if you are late.

LANGUAGE:

Please note that the *Believe Your Eyes* experience is only available in English.

CAN I WEAR GLASSES?

We strongly recommend contact lenses over glasses to optimize your experience.

VIRTUAL REALITY AND MOTION SICKNESS:

Persons subject to motion sickness also run the risk of feeling nauseous when using a VR headset. These visitors should pay particular attention to this warning. Much like the sensation felt after disembarking from a cruise ship, symptoms from exposure to virtual reality headsets may persist or become more intense a few hours after the experience. We recommend that visitors close their eyes or take a break as soon as they notice symptoms, and do not hesitate to consult attendants in case of discomfort.

FILMING AND PHOTOGRAPHY:

Please note that it is strictly forbidden to take photos and videos in the space where the piece is shown.

PEOPLE WITH REDUCED MOBILITY:

The Phi Centre is accessible for those with reduced mobility. At the moment of buying your ticket, please contact us so we may accommodate you properly. You can contact us by email at boxoffice@phi-centre.com or by phone at 514-225-0525.

The piece, presented by Phi, is an experience created by Samsung Electronics America and Punchdrunk Global Ltd. As this is an exclusive experience, incorporating new technologies, we are asking all participants to sign a release. Thank you for your understanding and we wish you an exciting experience!
